

TARGA 50 GT

We're going places. Join us.

ALL OUT FUN. ALL IN ONE PLACE.

There is no greater thrill than introducing a new Fairline, especially when it is the Targa 50 GT. Because this is one motor yacht where you will discover power, luxury and pure joy in one perfectly designed place.

This spirited cruiser comes with a wealth of luxurious touches, like beautiful oak flooring, Carrara white worktops and inlays and 100% New Zealand wool twist carpets. Plus, you have a choice of coloured styling options that complement the helm seats and upholstery. All this, and its anthracite roof, is what makes this motor yacht a thing of true beauty.

The twin Volvo IPS 600, 650 or 700 engines are just waiting for you to say the word, whether it's getting you swiftly to your destination of choice, or just cruising for a while. And there's our Premium Pack option, with a range of equipment including a submersible bathing platform, a wet bar with griddle and sink and a Fusion audio system with Bluetooth connectivity. Fun never looked so good.

WE HAVE DESIGNS ON THE PERFECT RESTING PLACE

In the spirit of building the perfect yacht at every possible level, we have also carefully created four different interior design schemes for you to choose from:

Amalfi

Inspired by Liguria's local architecture, this scheme exudes the sunny warmth synonymous with fragrant Italian lemon trees and the umbrella-lined shores of the Amalfi Coast.

Capri

Understated, earthy colours, effortlessly combined with rich natural textures. All the hallmarks of an interior design collection that is as gentle as the Mediterranean breeze.

Hamptons

Evoking elegant vintage design cues, whilst offering a bold and contemporary interpretation of the luxury that was once the preserve of America's East Coast.

St. Tropez

An ode to the sea where all manner of deep, oceanic blues tastefully swirl with muted greys, delicate creams and classic nautical motifs.

Fairline Yachts constantly seek ways of improving specifications, design and production. Therefore, alterations take place on a continuous basis. Whilst every effort is made to produce up-to-date literature, the descriptions, specifications, illustrations and photographs in this brochure should not be regarded as a definitive guide to current specifications, nor does it constitute an offer for the sale of any particular boat. Performance estimates are given in good faith, but are in no way guaranteed for any particular boat. Dirt on the bottom of the boat, damage to propellers, engine tuning, external water and air temperatures and the weight of crew, fuel and water carried can all adversely affect performance. For these and other reasons we can give no performance guarantees.
